MALLET BAG

Front

Back

CDMB

Cleveland's Mallet Bag is perfect for students and professionals alike. The CDMB is a high quality, padded mallet bag, equipped with 3 internal pouches and 1 external, along with a hook-and-strap system and a reenforced ID holder on the back. The CDMB comes with a pair of CSX2 and CSX3 mallets for Xylophone. A pair of CSM2 mallets for Marimba, a pair of CCT2 for Timpani and a pair of 5B drumsticks.

SYMPHONIC TRIANGLE

The Clevelander 6" Symphonic Triangle is the perfect addition to any symphony orchestra, concert band, school music program, or pit orchestra. Hand-bent with 5/8" aluminum, this triangle has the power to project a clear, concise tone, at any dynamic level. Pitched to the note of a concert "A" natural, these instruments deeper tone provides contrast to any musical situation.

CST1

TEMPLE BLOCKS

Set of 5. Clevelander temple blocks are made from natural wood laminate for great tone and durability.

CD-TBS

For three decades, The Cleveland Drum Company has been producing timpani mallets used by professionals around the world. Included in this brochure is our new, full line of percussion mallets. As always, we manufacture all of our high-quality mallets in the U.S.A. in Cleveland, Ohio.
